

# Art Matters: Anonymity Tips

How to submit works (sound files, video files etc.) anonymously through **Google Drive**:

1. Ensure the name of the file does not include your name or identifying information i.e. Echo.mov (preferred) vs. Jane\_Hill\_Final.mov (discouraged).
2. Right click on the file in your Google Drive, select “Get Shareable Link”.
3. Paste the link into your application.

How to submit works anonymously through **YouTube**:

1. Ensure the name of the file uploaded does not include your name or identifying information i.e. Echo.mov (preferred) vs. Jane\_Hill\_Final.mov (discouraged).
2. Click on the Share button, select the “Embed” option.
3. Find the URL to the video within the embed code. Example: `<iframe width="560" height="315" src="https://www.youtube.com/embed/MHsyC63Eni8" frameborder="0" allowfullscreen></iframe>`
4. Paste link into your application.

If your work has been uploaded to a platform not listed here, i.e. Soundcloud etc., Art Matters encourages applicants to re-upload their sound or video files to either a Google Drive or Youtube account in order to respect our anonymity policy.
